

# The Obituary

---

Imagine you just learned that tomorrow is your mate's last day alive but s/he does not know it and you can't tell them. If you tell them, their death will be painful.

1. Do you tell them?
2. How would you spend the rest of their life?
3. What do you do?
4. Who do you do it with?
5. Where would you go?
6. What do you fight about?
7. What will you miss when they're gone?
8. Will you miss their smell? Look? Smile? Complaining? Quirks?
9. How do you want to remember them?
10. How will you honor them?
11. What do you put in their obituary?

HW: Write your partner's obituary.
